

**J. Lynn Detamore, MS, L.Ac., Dipl.Ac.**

**Description:**

"In order to make all acupuncture thorough and effective one must first cure the spirit." I practice Traditional Chinese Medicine with Five Element principles. Acupuncture and Chinese Medicine assist with healing wounds of the body, mind and spirit. This facilitates your developmental process on your journey to recovery, helping you find the health you already have inside. I know first hand how much work recovery is, having recovered from 17 years of an eating disorder.
