

**CUSU EDS (Cambridge University Students'
Union Eating Disorders Support)**

Description:

CUSU EDS is a service for members of Cambridge University (UK). Eating Disorders Support (EDS) is a student-run organisation working to provide help for those who have problems with food, weight, body image and any forms of disordered eating. We aim to give support and information to those who have current or past difficulties, or are supporting someone else suffering from eating disorders. EDS hopes to raise general awareness throughout Cambridge University.
