

Alexia Georgousis N.D. BPE

Description:

Naturopathic Doctor Naturopathic medicine involves individualized treatment of the whole person. Therapies include homeopathy, botanical medicine, acupuncture, counseling and nutrition. I work with individuals to identify and remove the root cause of any health imbalances. I have experience with a variety of health concerns, including a specialty in eating disorders and body image. In addition to private practice, I teach and supervise and the Canadian College of Naturopathic Medicine.
