

Sage House

Description:

Sage House is an enriched housing program of DePaul Community Services. DePaul Community Services is a not-for-profit organization. Sage House provides a safe residential setting for women in recovery for an eating disorder to practice learned living skills and support their recovery efforts. **ADMISSION CRITERIA** Women must be 18 years old or above and currently receiving treatment for symptoms of an eating disorder. Women must be medically and psychiatrically stable and able to manage medications independently. **SERVICES** All meals are provided to match each person's own meal plan outlined by their provider's dietician. Residents have 24 hour access to staff. Skill coaching on food preparation, menu planning, and food shopping is provided. Support groups are held on site. Staff support available after meals to assist people in adhering to their eating goals. **MISCELLANEOUS** Length of stay is individually determined. The daily rate is \$125. Various payment options are available. **SCHOLARSHIP**
