

Aloha Healing Women

Description:

Aloha means unconditional love and that is what our 14 to 120 day Holistic programs are based on- love. We help you find the source of your illness by using Hypnotherapy. Everyone has reached this place in their life in their own unique way, no two alike. So we help you discover where your problem began and how you can heal from it. Hypnotherapy is a gentle way of opening up the closed doors of the mind and spirit and finding the answers that you need to repair and reconstruct your life. You will also be enjoy Aromatherapy Massages, Yoga, Acupuncture, Neural Lingual Programming, Complete Body Alignments, Reiki, Reflexology, Gourment Food Combined Meals, Individual Counseling, and Educational Workshops that will help you maintain your health after you have left us. You will find your sense of self power and return to the beautiful spirit that you are with our Ho'oponono and Ka Hana Pono teachings- staying in harmony. You will also be touring this beautiful Island on our field trips
