

Essence Recovery Center

Description:

Tired of traditional treatment methods and attempts? Recover your health here, naturally. Welcome to Essence Recovery Center, where a natural, holistic approach to overcoming health issues is the focus. Here at our exclusive Retreat Center, we provide an all-inclusive vacation-like atmosphere while we take you on a journey of recovery and healing. Our unique program places its emphasis on healing through correcting the bio-chemical imbalances that lead to addiction and other health problems, through the use of customized nutritional supplementation (Orthomolecular Medicine) and herbal combinations. We include an abundance of massage and bodywork therapy, acupuncture, individual "talk" therapy sessions, group art and music therapy, Equine Assisted Therapy, sweat lodge ceremonies, and guided meditations, as well as provide exposure to traditional 12-Step recovery groups, all on our private, exclusive estate. Our program is for those who wish to reclaim their health naturally, and
