

Regina Lukens and Michael Lukens

Description:

Therapeutic Intensive weekend workshops offered every 4 to 6 weeks. The workshops take place Friday and Saturday, in West Palm Beach. For up to 6 participants, must be actively involved in ongoing therapy to qualify. We will need permission to consult with your outpatient therapist before and after the workshop. Workshop is very intense, emphasizing experiential resolution of longstanding underlying issues including physical, sexual, emotional abuse; grief, shame and guilt, anger, depression, substance abuse/dependency, poor self-esteem, pattern of abusive relationships, parental death, divorce, alcoholism, abandonment, neglect, and more. A one-person all day Intensive is also being offered as an alternative for those who cannot afford the time commitment and/or who are not interested in group work. Look at our website to get more information: www.recover-ed.net We also offer a full array of outpatient services.
