

Concord Therapy Center

Description:

We are a full service counseling center specializing in the treatment of Eating Disorders. (Anorexia, Bulimia and Compulsive Overeating. We offer individual, couple and family therapy, as well as a teen group, and women's group therapy. We can provide referrals to other specialists in the Bay Area and can also refer to programs for inpatient care. We have two Eating Disorder specialists on staff as well as a dietitian, and contact with doctors and psychiatrists to help put together a team for your recovery. We also offer a Parent's and Loved Ones Education and Support Workshop on a regular basis.
