

Christine Hartline, MA

Description:

Christine Hartline, MA is a recovering anorexic and bulimic who has been working in the field of eating disorder treatment for over 12 years. She is dedicated to educating others about the consequences, treatment and prevention of eating disorders. She is the founder of the Eating Disorder Referral and Information Center at Edreferral.com. She is also an ANAD Resource person who can help assist in locating FREE support groups in your area. Christine is an advocate for mental health parity and increasing research to help understand the etiology of eating disorders. Eating disorders are complex and involved complex interactions of psychological, biological, sociological, and interpersonal factors and do require professional assistance. Further, eating disorders and body hatred impact the lives of millions of men and women. Eating disorders are gripping and life-threatening. If you or someone you love is suffering from an eating disorder please seek information and assistance. For more inf
