

K.B. Dunford MFT @ Eating Disorder Center

Description:

California Licensed Marriage, Family Therapist
Complete treatment for the recovery of all dysfunctional eating patterns both for adolescents and adults. provided on an individual and group basis. Other services include: complete assessment, education provided for families, medical referrals as necessary. Treatment is provided in a supportive non-threatening, "coach-like manner", helping those who desire to return to a more normal/healthy eating and thought pattern. The director: Karen Dunford MFT has been working for over 15 years with people of all ages who struggle with disfunctional eating. She has served as director of many inpatient & outpatient programs, and now helps people on an individual basis though her private practice. Clients have come from across the United States, as well as abroad, for her help. She looks forward to helping you as well. She may be contacted through the below information.
