

Rachel L. Mulder, MA, TLPC

Description:

I am a licensed professional counselor specializing in the treatment of all eating disorders. Working in a private practice in the Milwaukee area, I offer individual, couples, and family therapy in a warm, safe and supportive environment. My experience with the treatment of eating disorders includes providing psychotherapy at Rogers Memorial Hospital, a nationally recognized leader in eating disorder care. I believe in the biopsychosocial model and incorporate a variety of therapeutic approaches, including, but not limited to, cognitive-behavioral and solution-focused. Valuing a collaborative approach to treatment, I work closely with dietitians and am committed to making appropriate referrals to psychiatrists and other medical doctors. I look forward to being part of your treatment team.
