

**Pam McMichen Wright, Ph.D.**

Description:

Dr. Wright graduated from the Counseling Psychology Doctoral Program at Georgia State University. She worked at several hospital, university, and group practice settings before relocating to the Fayetteville/Newnan area and beginning her own practice. She worked at Ridgeview Institute as a Counselor in the Women's Center, which specializes in eating disorders. She also served as a group facilitator for ANAD. She specializes in the treatment of eating disorders, women's issues, anxiety, stress management, and health psychology.
