

Gallant HealthWorks & Associates

Description:

Paul Gallant, CHE, PhD(c), MHK, BRec(TR).

Paul has worked with males and females with eating disorders on a 1:1 and a group basis. Paul is highly experienced, and diversely trained to focus on improving quality of life. He seeks to improve clients' engagement in their own health.

Paul also conducts action oriented and collaborative research with males who have eating disorders and body image issues.

Paul is a former co-leader of the Provincial Eating Disorders Adult Treatment Program, British Columbia, he is an experienced person-centred coach/therapist and educator.

Please see links below for more info. about Paul's expertise.

Presentation at PHABC Conference (improving engagement of males with eating disorders)
