

## **(inpatient/outpatient) Tapestry Eating Disorder Treatment Programs**

### **Description:**

Tapestry is located in Brevard, NC. Tapestry's services include an Inpatient Eating Disorders Treatment Program for women ages 18 to 55 in a beautiful residential setting located in Brevard, a serene yet contemporary town nestled in the beautiful mountains of Western North Carolina. We also offer an Outpatient/Partial-Hospitalization Program.

We are pleased to announce that we now accept most forms of health insurance. Tapestry is a unique and cost-effective program based on the premise that effective treatment must be both affordable and voluntary.

Our revolutionary treatment program incorporates experiential therapies with biological, psychological, social and spiritual aspects of a multi-dimensional approach to treatment. We are dedicated to individualized care which empowers women to attain lasting recovery.

Our program is indebted to the local communities for all of the wonderful events we are able to participate in. Visit us online at [TapestryNC.com](http://www.TapestryNC.com) or call 866.647.0623
