

GROUNDBREAKING NEW SERIES

Description:

The producers of INTERVENTION and Tracey Gold are trying to help sufferers of eating disorders get real help through this new, groundbreaking documentary series. This is a growing problem and we're hoping this series will bring it to the attention of the American public with a message that it's time to make a change.

We are looking for women & men over 18 yrs old who live in the Los Angeles area to get the help they need & to help millions more by sharing their story on a groundbreaking new series.

In exchange for their participation they will receive an individual evaluation by nationally renowned Dr. Terry Eagan who will assess the situation and offer up to 90 days of out patient treatment at a leading eating disorder facility.
