

Cambridge Eating Disorder Center

Description:

Cambridge Eating Disorder Center (CEDC) is a specialty center that provides high quality comprehensive continuum of care to individuals suffering from eating disorders. Services include a 25 bed residential program for females 12 years and older, Partial Hospital Program (PHP) for females and males 12 years and older and Intensive Outpatient Program (IOP) for females and males ages 12 and over (2 separate tracks of adolescents and adults), and a variety of outpatient services. CEDC's outpatient services include consultation, individual therapy, group therapy, family therapy, nutrition counseling, medication evaluation and management. For more information please call 617-547-2255, ext. 222, or email info@cedcmail.com. Also check out our website at www.eatingdisordercenter.org
