

Dan W. Reiff, PhD, RD

Description:

I specialize in working with adolescents and adults who have anorexia, bulimia, and binge eating disorder. I am a Licensed Mental Health Counselor and a Registered Dietician. I received my doctorate in clinical psychology from Seattle Pacific University. I am an eating disorder specialist who has been working as a member of a multi-disciplinary outpatient treatment team for over 20 years. I received a bachelor of science degree from Western Washington University, then completed a masters degree in public health nutrition from the University of California, Berkeley.
