

Eating disorders during pregnancy

Description:

I am writing a story for Marie Claire about women who have/develop an eating disorder throughout their pregnancy. The goal is to raise awareness and to help women who may be at risk. We're looking to find a woman who is willing to share her personal experience with this. If you are interested in being featured in the article or would like more information, please email me at nicole.yorio.jurick@gmail.com and include your name, age, city, state.
