

Andrea L. Labis,LCSW-R

Description:

Offering over 20 years of experience in the treatment of Eating Disorders. Services include: individual, couple, family, and group treatment as well as collaboration with healthcare professionals. A warm place, a safe space, and a great deal of empathy (with a dose of laughter) can bring light into the darkest moments. If you are struggling with an ED, we will work diligently to free you from your symptoms. If you are a caregiver, we will strive for the insight you crave and get you the support you deserve. I admire the courage you have in making that first call to me; I look forward to sharing your journey to a richer life! I will work with you on the fee structure; please contact me for guidance re: insurance reimbursement and/or out of pocket expense.
