

## **Eating Attitudes Research Study**

### Description:

You're invited to participate in a study on the relationship between eating attitudes and concerns and performance on word/vocabulary tasks.

You are eligible to participate if you are at least 18 years old and female.

Participation is completely anonymous and participants can complete the entire study online.

Participants will be asked to complete a set of word/vocabulary tasks and questionnaires about eating-related attitudes and behaviors, habit strength, and demographic/background information. Please know that all of your answers are anonymous.

It will take between 20 and 40 minutes to participate.

As compensation, you will be automatically entered to win one of two \$50.00 Amazon.com gift cards.
