

Valerie Gurney, Ph.D.

Description:

In her private practice, Dr. Gurney specializes in the treatment of adults and older adolescents with bulimia, anorexia, and binge eating disorder. She also provides eating disorder consultation services to colleges, treatment programs, and families. In addition, she provides assessment and individual psychotherapy for depression, anxiety, and school/life transitions. Dr. Gurney was formerly the Program Director of Laurel Hill Inn's Residential Eating Disorder Program and continues as a Clinical Consultant.
