

Diann M. Ackard, Ph.D., L.P.

Description:

Our practice provides outpatient services for adolescents and adults with eating disturbances, body image dissatisfaction, history of abuse, depression, anxiety, and other psychological concerns. We provide individual, group, couples, and family therapy. Dr Ackard is a Fellow of the Academy for Eating Disorders, an Adjunct Faculty at the University of Minnesota Division of Epidemiology and Community Health, and a Research Scientist at the Methodist Hospital Eating Disorders Institute. She is widely published in the field and speaks at professional conferences as well as community venues. Please visit www.diannackard.com for more information
