

Alliance Counseling Center Support Groups

Description:

NEW MEETING LOCATION! Do you need more peer contact? We have Free Support Groups 1st & 3rd Wed eve at 6pm. As a service to the community we offer these support groups free of charge. These groups are for people needing support with eating disorder treatment. Call or e-mail us for information about the Eating Disorder program or to receive a brochure describing the support groups and our eating disorder program. Treatment Model: Family Systems, Psychodynamic, Art Therapy, CBT, Equine Assisted. Alliance Counseling Center was formed to address the needs of people with all forms of eating disorders. We work for recovery using a wide range of treatment models that are designed to tailor each persons eating disorder recovery. We offer group, individual and family therapy as well as nutritional and medical consultations. Alliance coordinated outpatient program can be intensive or moderate depending on the needs of the individual. See our listing under "Programs." Ask about Equin
